

5th Grade Summer Reading 2020

Students coming into 5th grade are to read **the assigned** book this summer. The ebook is available in the M-DCPS Virtual Library (Book Connections) on the student portal. You can also find the book on Amazon and Kindle if you'd rather go that route. The students will be responsible for completing one of the listed activities below. This will be checked upon their arrival at school for the 2020-2021 school year. They must also take an AR test on the book. AR will be up and running for the summer.

The book assigned to 5th grade students is:

Title: *Escaping the Giant Wave*

Author: Peg Kehret

Choose one of the following activities:

- Create a collage with words and pictures around central idea, theme or characters in the book.
- Design a T-shirt that promotes your book and write a jingle to sell it.
- Design a poster using multiple print or digital sources to advertise your book. Be creative...use details...elaborate...use color! Try to make it 3-D or movable.

Have a wonderful summer! See you soon!!!
