2nd-8th Grade – 8:35am – 3:05pm

All students dismiss at 1:50pm on Wednesdays

- **Early Sign Out**

The early release of students causes disruption to the academic performance of all students and may create safety and security concerns. No students shall be released within the final thirty (30) minutes of the school day unless authorized by the principal or principal's designee (i.e., emergency, sickness).

- **Late Arrival**

Students who are tardy to school must report to the Attendance Office to secure an admit. Excessive tardiness may result in loss of privileges, detention, parent conference, and/or suspension.

- **Lost and Found School Policy**

Please be sure your child's name is labeled on the inside part of all personal possessions, including wallets, coats/sweaters, lunch boxes, backpacks, pencil boxes, raincoats, etc. Our students are very good about turning in lost articles. If an article is lost, the chance for recovery is good. Since many school items are alike, having a name clearly written on makes it easier to return.

Academic Programs – Student Progression Plan (SPP), School Board Policy 5410

Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next, kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statutes, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

Before/After School Care Program & Middle School Enrichment After School Program

For those parents considering going back to work and/or are presently working, there are 240 low cost Before and After School Care programs that serve both Elementary and K-8 Center students and 54 Middle School Enrichment After School programs that help tutor middle school students throughout the Miami-Dade County School district. Each of these programs are staffed with state certified instructors, state certified program managers, or state certified activity leaders who are all prepared to enrich and expand the after-school experience of the students they serve.

This year, Miami-Dade County Public Schools will offer 294 After School programs on school days. Before-school care programs will be provided as needed.

After-school care programs are conducted from the time of school dismissal until 6:00 p.m. Before-school care programs begin approximately one hour before school starts. Summer Camp operates from 7:00 a.m. until 6:00 p.m. Parents should check with their child's school for specific start times.

All after-school care programs provide planned activities, which include homework assistance, indoor and outdoor games, arts and crafts, snack time and various recreational activities. Many programs offer reading and math tutoring, music, ceramics, chess, drama and other classes designed to provide participants with a variety of educational and enrichment experiences. Before-school care programs provide supervised, quiet activities for students.

The cost of Elementary and K-8 after school care is \$60 per week or \$55 per week discounted rates for sibling or free/reduced lunch discounts; the cost of Middle School Enrichment after school care is \$60 per week and \$55 per week discounted rates for sibling or free/reduced lunch discounts; the cost of before school care is \$30 per week and the cost of Summer Camp is \$125.00 per week or \$115 per week discounted rates for sibling or free/reduced lunch discounts. These programs are offered by one of five providers:

Bullying Prevention

Miami-Dade County Public Schools is committed to providing a safe learning environment for all students and therefore all allegations of bullying/harassment are taken seriously. When concerned about bullying or harassment behaviors, contact your child's teacher immediately. You can verbally report your concerns and/or fill out the [Bullying and Harassment Reporting Form](#). If the problem should continue to persist, notify the school's principal. You may also contact the Bullying/Harassment Helpline, staffed by the Division of Student Services staff at the District office. They can be reached at 305-995-CARE (2273). The Helpline is staffed from 7:30 a.m. - 4:00 p.m., Monday through Friday. Students and parents may also report bullying through our Districts anonymous online bullying reporting system available on the student and parent portals. Additional information regarding bullying and harassment can be found on the Student Services [website](#).

Clinic

Communicable diseases must be reported to the school immediately. Regular attendance is expected of each child. However, it is best for the child who is ill to remain at home. In case your child becomes ill or injured at school, you will be notified immediately. This makes it especially necessary that the school office have an up-to-date phone/ emergency contact for each student.

Please complete the health form sent home with you child from our school nurse. No treatment or medication is given at any time, unless a signed authorization form from your child's physician is on file in the office. Medication is taken in the clinic under the supervision of the nurse. This is a safeguard to prevent the sharing of medication with others. Students who become ill during the day will wait in the clinic located next to the main office for their parents to pick them up.

An authorization for Medication form must be submitted to the school nurse before medication can be administered at school. This form is available in the school clinic.

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Code of Student Conduct

The School Board of Miami-Dade County, Florida, approved The Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community.

A major consideration in the application of the COSC is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.

The COSC addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.

Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force during regular school hours, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-sponsored events, field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students.

Principals are authorized to take administrative action whenever a student's off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property may constitute behavior that has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life.

The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur.

The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education.

Students or parents having problems interpreting the COSC should address concerns through the school principal. Additionally, should the concerns not be resolved at the school level, an appeal can be made at the region office and subsequently to the District.

The Code of Student Conduct can be accessed by going to the following website: <http://ehandbooks.dadeschoolgtols.net/policies/90/index.htm>. If you do not have access to the

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Internet, you may go to your child's school and request to review the Code of Student Conduct manual.

Please take the time to review and discuss the importance of the *Code of Student Conduct* with your child or children. After reviewing the *Code of Student Conduct*, you and your child/children must sign, date, and return the *accompanied* Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

Community School Program

The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 17 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today's world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call the Office of Community Education, at 305-817-0014.

Comprehensive Student Services Program

The Division of Student Services implements the Comprehensive Student Services Program, serving students from Pre-K to Adult. Through collaborative efforts with community agencies, students' academic, personal/social and career development needs are addressed through a team-based approach. An integrated team of uniquely trained Student Services professionals deliver direct services to students. These services focus on the elimination of social and emotional barriers that inhibit students' academic success and prepare students to be college and career ready.

The Comprehensive Student Services Program supports student achievement through effective prevention, intervention, and crisis response services. For more information, please contact Martha Z. Harris, Administrative Director, Division of Student Services, at 305-816-0436.

Discrimination/Harassment

The School Board has a prohibition against discrimination and harassment based on age, sex, race, color, ethnic or national origin, religion, marital status, disability, age, political beliefs, sexual orientation, gender, gender identification, social and family background, linguistic preference,

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

pregnancy, and any other basis prohibited by law. The Board shall maintain an educational and work environment free from all forms of discrimination and harassment, which includes Title IX of which prohibits all forms of sex discrimination and unwelcomes sexual conduct. Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their principal or the Office of Civil Rights Compliance (CRC) so that the conduct can be addressed before it becomes severe, pervasive, and persistent. For more information, please contact CRC at (305) 995-1580 or visit <http://hrdadeschools.net/civilrights>. The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical harm or psychological distress on one or more students. Complaints of bullying should be reported to the principal promptly.

Arrival & Dismissal (Main Campus)

- For the safety of our students and per district mandate to provide a “Safe Learning Environment”, no one is allowed in the building during school hours. Parents/guardians, who have scheduled conferences or any other school-related matters, must report to the main office to sign-in and receive a visitor's pass.
- Children should be on school grounds only when proper supervision can be provided for them. For that reason, your child should arrive at school no earlier than 8:10 am for PK, Kindergarten, and 1st Grade, and 8:25 am for 2nd - 8th Grade, unless he or she is eating breakfast. Breakfast is served between 7:20 a.m. and 8:10 a.m. **Breakfast will not be served after 8:10 a.m. All students are eligible for Free Breakfast. Direct supervision is not provided during breakfast. There will NOT be any supervision on the PE courts. PLEASE do NOT leave your child unsupervised. Your cooperation in this matter will prevent any accidents that may occur as a result of early arrival. When students arrive, they must walk to their classroom and wait for their teacher to open the classroom door.**
- For your convenience, we have two morning drop off areas. One drop off area is located in the side of the school on 93rd Avenue. You must drive in north bound on 93rd Avenue, pull up to the drop off zone, and a patrol, staff member will assist your child out of the car on the passenger side only. Once the child has exited the car you may continue to drive out north bound. **PLEASE do not drop off your child across the street or in any other area. This is extremely dangerous. The other drop off area is in our east parking lot. You must enter the parking lot by 52nd Terrace and go towards the back, pull up to the drop off zone and patrols and staff will assist your child. We strongly suggest you use the drop off area in the mornings. Parking is very limited in our school.**
- For those that wish to park and walk with their child to the classroom, we have a designated parent parking lot on the east side of the school. You must drive into the property through 52 Terrace and go all the way to the end of the parking lot.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Please do not leave valuables in your car. You may also parallel park on 93rd Avenue, but please DO NOT park in the drop off area. This area will be sectioned off by cones. We also have additional parking by our middle school building. We appreciate your cooperation.

- **There is absolutely NO PARKING in the BUS ZONE on 52nd Terrace.** If a bus arrives and there are cars parked, the bus is not able to drop off the students. Please DO NOT PARK in this area during arrival and dismissal of students (7:30am – 8:45am and 1:30pm – 3:20pm).

with the appropriate corresponding situational response as outlined in the EOP and shall include developmentally appropriate and age-appropriate procedures.

- ***Emergency Operations Plan***

Student and employee safety is an utmost priority of the Miami-Dade County Public School (M-DCPS) System. The District Emergency Operations Plan (EOP) was created to provide District staff, school administration and personnel with the knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, & bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- Students will not be released during a lockdown. If you need to pick up your child wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been provided the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

Any student who is in the hallway or the restroom must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- ***Lockdown Procedures***

Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Plan and remain on lockdown until a school administrator and/or law enforcement makes an "All Clear" announcement.

- **Threat Assessments**

Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessments. Schools must establish a Threat Assessment Team comprised of an administrator, counselor, teacher, and law enforcement officer. The schools utilize a problem-solving approach to harm prevention that involves assessment and intervention with students who threaten violence or harm. When a preliminary determination is made, that a student poses a threat of violence the team shall further convene to determine the best course of action. Authorized members of the team may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services as applicable. Threat assessments and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. All visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records.
